PLAINTIFF'S SUPPLEMENTAL INTERROGATORY ANSWERS

Plaintiff, Misty Blanchette Porter, M.D., provides the following supplemental answers to provide additional information concerning individuals with knowledge of facts relevant to the claims and defenses at issue in this action:

Julia MacCallum, M.D.

In response to defendants' Motion for Summary Judgment, plaintiff submitted an opposition that included as an exhibit the Declaration of Julia MacCallum, M.D. dated March 5, 2020. A copy of that Declaration is attached. If called as a witness at trial, Dr. MacCallum would testify regarding the matters addressed in her Declaration.

Ira Bernstein, M.D.

Dr. Bernstein is an attending physician at the University of Vermont Medical Center ("UVMMC"). For the period April 2012 to May 2024, he was the Chair of the Department of Obstetrics, Midwifery, Gynecology and Reproductive Sciences at UVMMC. Dr. Bernstein was

on the faculty of the University of Vermont Larner College of Medicine (LCOM) while Dr. Porter was a resident physician and during a period that she had a fellowship in reproductive endocrinology.

Dr. Bernstein was informed that D-H had decided to close its REI Division. At that time, the fellows in REI from UVMMC were training onsite at D-H. At D-H's request, Dr. Bernstein agreed that UVMMC would provide its residents in OBGYN with training in reproductive endocrinology.

After D-H terminated Dr. Porter's employment, she sought employment at UVMMC. There were no comparable jobs available to Dr. Porter in the Upper Valley. Dr. Porter applied for and was offered a position at UVMMC as an attending physician. She worked in a per diem position in REI from June 2017 through April 2018. Since May 2018, she has been appointed as faculty to the LCOM at UVM. Dr. Bernstein is knowledgeable about Dr. Porter's job performance at UVMMC and the demands that are placed on her by reason of her call obligations. He is also knowledgeable about Dr. Porter's condition after D-H terminated her employment.
